(ie. United States, Canada, Switzerland, etc.)

1.1 Courier shipments

Send via FEDEX, DHL, UPS, TNT (and other courier companies)

Courier companies cannot make customs clearance as they lack an EORI number. Shipment for temporary importation via ATA-Carnet and/or via commercial invoice (goods that will be returned after event) **must** be sent by airfreight (please see column 1.2) as courier companies cannot arrange any temporary customs clearance.

We strongly recommend sending your courier shipments to our warehouse. We cannot guarantee an on-time delivery to the exhibition booth in case your shipment arrives later than **22 April 2026** .

Please deliver all courier shipments to the following address:

IMPORTANT NOTE:

We strongly recommend Exhibitors not to send courier shipments directly to the venue/stand in Malaga. Courier companies cannot do a customs clearance as they will need an importer with Spanish tax ID.

For shipments sent directly to the stand and stuck in customs no liability is accepted

- Serial numbers and pictures of every item that needs to be imported temporarily
- If necessary: Certificate of Origin (Form A/EUR.1)

All exhibits/material entered under temporary importation are subject to control and examination by EU customs for Inward and Outward movements.

Any exhibits remaining in the EU after closure of the Exhibition are subject to duties and/or taxes. Payments must be guaranteed prior to removal of goods from the Exhibition venue.

Any shipments arriving after our deadlines that require customs clearance will be subject to a late arrival surcharge of 25% on our official handling rate.
